Boyd County Property Valuation Administrator
Catlettsburg, Kentucky 41129

We have performed the procedures enumerated below, which were agreed to by the Boyd County Property Valuation Administrator (PVA), solely to assist you with the accountability for statutory contribution, receipts and disbursements, including capital outlay disbursements, city government receipts, recordkeeping, and leases and contracts for the period July 1, 2004 through June 30, 2005. This engagement to apply agreed-upon procedures was performed in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of the procedures is solely the responsibility of the Boyd County PVA. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

Our procedures and findings are as follows:

1. Procedure -

Determine if the PVA has a receipts ledger, a disbursements ledger, and reconciles bank records to books each month.

Finding -

The PVA has a receipts ledger, a disbursements ledger, and reconciles bank records to books each month.

2. Procedure -

Compare recorded city receipts to confirmed payment amounts obtained from city governments. Also review the list of city receipts for completeness.

Finding -

Recorded city receipts agree to confirmations and all appropriate cities are included on the PVA's records.

3. Procedure -

Compare the budgeted statutory contribution by fiscal court to the legally required amounts calculated by the Department of Revenue. Trace the fiscal court payments from the fiscal court statutory contribution budget account to the PVA's local bank account.

Finding -

The Fiscal Court budgeted the appropriate statutory contribution. The PVA deposited the fiscal court payments to the local bank account.

4. Procedure -

Select a sample of disbursements from available PVA's records and agree amounts to cancelled checks, paid invoices, or other supporting documentation. Determine if the expenditure is for official business.

Finding -

Selected disbursements were agreed to canceled checks and paid invoices. All of the expenditures were for official business.

5. Procedure -

Compare capital outlay disbursements with cancelled checks, supporting documentation, and proper purchasing procedures. Verify the location of newly acquired assets.

Finding -

Capital outlay disbursements agreed to canceled checks, supporting documentation and proper purchase procedures were used. Location of newly acquired assets was verified.

6. Procedure -

Scan vehicle lease agreements, personal service contracts, and professional service contracts for cost schedules and compare to actual payments. Determine if services received were appropriate, for official business, and properly authorized.

Finding -

There were no vehicle lease agreements, personal service contracts or professional service contracts.

We were not engaged to and did not perform an examination, the objective of which would be the expression of an opinion on the receipts and disbursements, including capital outlay disbursements, city government receipts, recordkeeping, and leases and contracts. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the use of the Property Valuation Administrator and the Department of Revenue and is not intended to be and should not be used by anyone other than these specified parties.
